## Customer Reviews

Quality paperback book helps you identify and value over 800 bottles which are beautifully pictured in full life-like color. Covers 8 oz and 10 oz bottles. A brief description of the bottle accompanies each entry. Well indexed for easy locating. A useful reference book.

This book is great to have if you are a collector of Coca-Cola bottles. Being able to see what the

bottles look like is nice.

Has a limited number of bottles - there is not as many commemorative bottles as I was expecting. I could not use it for my collection.

Really helpful in organizing all my bottles that I have collected. Great addition to my Coke Books. Coca-Cola is GOOD, drink and enjoy.
