This is one the greatest cookbooks I have. It's worth every penny. Very detailed, pictures for every step, easy to follow instructions. I have tried several recipes from this book in the first week I got it. I just enjoyed surprising my family with easily and quickly prepared great tasting food. My whole family loved the tastes. Our favorite is the Hungarian Goulash. Great taste, easy to make, and finally I got the recipe! What I really liked and helped me so much, that the author gives examples of where to shop for the ingredients, even have pictures of these products. The tip corner and the menu ideas are very helpful. I truly recommend this cookbook for everyone who wants to try the true Hungarian taste with easy to understand recipes.

I always loved Hungarian food and had it often because some of my Hungarian ex-boyfriends had mothers who always made Hungarian meals. Since I don't hang out with their mothers anymore (which is probably a good thing because I'm married now), all I need is this recipe book to find some really good meals. It's great because all of the steps and pictures are listed out for me. I'm really happy that I found this. I just made the goulash, cucumber salad and paprikas potato potpourri for my husband last weekend and we loved the meal! I think I'll try the Stuffed Cabbage next.

I love the book with all the good recepies and beautiful pictures makes you want to cook a lot more. The spiral binding is excellent idea, becouse when you open it's stays open. Simple recepices easy to foloww and save time and energy for me to prepare a good harty meal. The book is fantastick tell you what you need and where to buy it. I am looking forward to receving the new recepies on her website every month. I did tryed olmost all of them and my whole family love my cooking. I love it and I owned to you. Thanks Magdi!

A great holiday gift idea, or for someone's birthday. This book made me remember my childhood with the wonderful dishes that my mother and grandmother made. I will give it to my daughters and friends to pass down the tradition of tasty & hearty meals that are easy to make, and are sure to become family favorites. The pictures make it easy to see the mouthwatering end result, and the directions are easy to follow. I highly recommed buying it. You will not be dissapointed.
