But the book does start out with make ahead turkey gravy, which makes it a winner right there. I didn't see a single recipe for green bean casserole - which means the recipes aren't cheats. For those of us who don't want or need to cook an all out turkey or ham dinner, there are several other recipes to make instead. The book lost two stars by putting bread in cornbread dressing, seriously. If the real way to make it (using 2 13x9" pans of cornbread to feed four and run out of leftovers before everything except gravy is gone) isn't here, then there's something missing. Anyway, worth putting

in your library just in case.

Looks good, recipes seem clear and easy to follow, I'm looking forward to trying out a few of them.
Happy cooking
