Customer Reviews

If you get this for just ONE recipe (Tsubushian Shortbread, page 115) you will have spent your money well. Growing up in Honolulu in the 1950s the electric bill came with several recipe cards included. I don't know if they do that anymore. The Hawaiian Electric Company published this wonderful cookbook of Island cooking. I went to the actual electric company main office in downtown Honolulu to buy this book back in 2005 and am happy I did. Well written, very diversified with many "old days" recipes.

One of my friends has this book! She swears by it, she showed me her favorite recipes in it then lent it to me. I looked on hoping I would find a copy and YAY! Found one!

Love it
