Customer Reviews

Well...I haven't looked at the cook book yet but I've dined at this beautiful restaurant several times in the past. And without a doubt the food is wonderful. The atmosphere is beautifully intimate and friendly. Nestled in a grove of aspen trees with mountain wild flowers sprinkled along the path to the entry, the dining room is an authentic, rustic, mountain log cabin with large windows peering onto the surrounding mountain gardens. Make sure you have reservations as the Fawn Brook Inn has a great reputation. That said, the cookbook can't be bad. I'll review later when I've tried some of the recipes.

It is a great recipe book, wish I could cook like this all of the time but there is not enough time in a day. The love of cooking shows through in their recipes and they are great.

Thanks! Great cookbook!

Great cookbook with enjoyable stories about Herman and the family growing up at the restaurant.

We have eaten at the Fawn Brook many times. It is one of the great restaurants and their cookbook

presents many great recipes. Their escargot is the best I ever ate!
