Synopsis

Sweeten your Christmas with Dick Martin's festive holiday accents featuring rosy-cheeked Santas surrounded by red and white striped candy canes. The versatile designs may be used to decorate wreaths, baskets, and much more. The 14 projects include a door decoration, tissue box cover, coaster, ornaments, and magnets. They are worked on 7 or 10 mesh plastic canvas using worsted weight yarn. Considered the "father" of three-dimensional plastic canvas, Dick Martin brought joy to crafters all over the world with his innovative designs, sparkling imagination, and creative enthusiasm. For more than 25 years, the freelance artist designed a multitude of plastic canvas creations, filling nearly 100 best-selling Leisure Arts leaflets.

I know that this was less than \$4, but I thought it would have a few more patterns in it. I like what is there. but I would rather have fewer books with more patterns than a lot of books with only a few patterns in them.

I love the book. Has patterns I want to make. My sister and brother are into this. We love to make them for family, friends and share the books.

I liked the Santa on the cover and that is why I purchased this book. The book is in great condition and arrived promptly. Good seller!

I love Christmas, Santa and plastic canvas. This covers all 3. And I can transfer it to my computer to print. Absolutely fabulous!

This book has a lot to offer for beginners with working on plastic canvas. I would recommend for anybody doing crafts
