Customer Reviews

I was looking for a book with some of the more traditional European style gingerbread and this is it! There are plenty of beautiful decorated gingerbread to learn with step-by-step color pictures. I found the tips/techniques very helpful and the recipes worked great.

Unfortunately I've ordered my booklet after Christmas, but I highly recommend it. Easy to follow recipes. Some easy, some a bit more complicated decorating ideas, but with practice all of them achievable. Recommend Aniko Vargane Orban and Tunde's Gingerbread Academy booklet with lots of practice sheets for different decorating patterns and ideas.

Beautifully illustrated. Highly recommend.
